When approached from outside bodies with regard to the hiring of school premises out of school hours the following procedures are put into action:

- ❑ A notice of fees and terms is issued to the hirer in the form of a Letting Agreement (copy attached) between the school and hirer. The agreement stipulates the hourly charges with the understanding that if a letting encompasses a Sunday or a Bank Holiday then an increased fee may be charged. Once the terms and conditions of the agreement have been accepted, including the hirer having the appropriate Public Liability Insurance in place, the hirer signs and returns the contract to be held in school.
- ❑ Where possible the hiring fee should be collected in advance.
- ❑ The Caretaker checks the letting calendar when opening the school for the Hirer. The Caretaker has Caretakers/Janitors Additional Hours Claim sheet which needs to be completed.

This procedure could be overridden by either the Headteacher and/or Chair of Governors, therefore, confirmation by at least one of these people is required before assuming a letting and relevant costs is accepted.
