Dear Parent/Guardian

Re: Lunch Time Ordering System

Please be aware that as from Monday 21 September 2020, we will **no longer be using the online system** for ordering food at lunch time.

Students will be offered a choice of food straight off the hot counters.

Payment for the food will be through the biometric system (thumbprint) and the money will be deducted from your Parent Pay account in the usual way. Please ensure that your child has credit on their account.

I hope that you agree that having reviewed the procedure this is a better way forward for us all and in time we hope we can once again start to expand the menu.

Yours sincerely

S Clarke BSc (Hons)
