14 May 2020

Dear all

I hope you and your families are well.

Firstly, I wanted to thank you for all of the hard work that you have been doing at home over the last 8 weeks. It's an extremely difficult situation and the feedback that I am receiving from staff, parents and indeed you as students has been extremely positive.

Next week, leading up to Half Term we will be doing a 'Self-Assessment' week; which will be an opportunity for you to do a small self-assessment (max 1 hour) of all subjects. You will complete the assessment as best as you can and then mark your own work using the mark schemes provided. Some subjects/teachers may request that you email the assessment to them for marking, but you will be contacted by your teacher about this, should it be the case.

Once you have completed the assessment and marked it, you will have an idea of how well you have understood the content of the work that you have been doing from home since school closed. Should you wish to email the result or a picture of your completed assessment to your class teacher, or even a comment on how you've got on, then I'm sure that they would welcome the feedback from you.

Please do not stress about any part of the assessment that you don't understand, just give it your best effort and again, feel free to email your class teacher with any problems. They will do their best to help!

Please keep your assessments stored safely and bring them into school on your return, which hopefully won't be too long away.

Again, thank you all for your hard work during this difficult time and good luck with your assessments.

Take care

Mr D. Finch
