October 2021

Dear Parent / Guardian

Year 7 Exams Monday 18 and Tuesday 19 October

After having a period of time to allow Year 7 pupils to familiarise with the school and the classes they are in, tests in English and Maths will be held on Monday 18 and Tuesday 19 October 2021 in order to establish whether the pupils are in a teaching set which matches their needs. The tests will also highlight any pupils who are not making the progress that they should be and who therefore need support.

As these exams will be used to monitor progress being made by students, please could you encourage your child to treat them seriously and prepare for them properly. The tests will be completed in class due to students being in bubbles. A copy of the proposed exam timetable is outlined below:
